## DETAILED ACTION

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 1-21-05 has been entered.

### ***Allowable Subject Matter***

2. Claims 18-29 are allowed.
3. The following is an examiner's statement of reasons for allowance: The total combination of either independent claim 18, 22 or 26 is not taught and/or rendered obvious by the prior art of record when considering the warning unit/step. Applicant has submitted an English translation of JP 9-267537 for the Examiner's consideration. It is noted that JP 9-267537 explicitly teaches away from warning (see translation paragraphs [0044]-[0046], [0049] and [0053]). These translation paragraphs specifically state that the paper tray selection process is automatic and that if a designated paper is not available that "the paper feed means is left to the laser printer 1." (See translation paragraphs [0044] and [0049]). No warning is given.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
